

Deaf or HoH? Know Sign Language?

Have a problem with alcohol?
Want signed AA Meetings?

The Deaf Off Drugs and Alcohol (DODA) program at Wright State University has made “virtual rooms” available for AA meetings at their virtual treatment center.

DODA will assist anyone who needs technical support or help accessing the meetings, and coordinating the meeting schedule. DODA wants to be very respectful of the community's wishes and assist to the extent that is appropriate.

What you need:

- Personal computer or laptop
- Web camera,
- Windows 2000, XP or Vista
- High-speed internet
- Email account

Go to: <http://doda.nefsis.com/doda>

(AA meetings led by Deaf and HoH members)

- Click on the meeting you want to join.
- The first time you do this, it will download the free Nefsis Conference software, then connect you to the meeting.
- You do not need to “sign in”.

Questions about the AA meetings? Please e-mail Virginia at access@aasf.org

More information on how to get to these AA meetings, contact Mandie

(866) 326-4761 (vp) (937) 222-2400 ext 239 (voice)
